

**Covid-19 Visitor Screening Checklist**

**This checklist is applicable to all visitors, including delivery drivers**

This screening checklist is specific to the COVID-19 virus (novel coronavirus 2019).

*This form does not request protected medical information and is intended only to prevent potential transmission of illness within the school and to maintain workplace safety and continuity.*

*This school is monitoring the development of the COVID-19 virus closely. Out of concern for the wellbeing and safety of you, the children and all employees and visitors, we ask that you monitor your health status by carefully completing this self-assessment before visiting, entering, or returning to this school.*

**Section I:**

Have you travelled to the UK from abroad within the last 14 days? **If your answer is yes, you will not be permitted entry to the site or to use the facilities.**

**Section II:**

Do any of the following currently apply to you?

- Fever (temperature of 37.8°C/100°F or higher; (see additional symptoms of fever below)
- Cough
- Shortness of breath
- Difficulty breathing
- Loss of smell / taste

If answers to any of the above are YES **then** you may have been exposed to the COVID-19 virus recently and you will not be permitted entry to the site or to use the facilities.

***Additional symptoms of a fever can include:***

- Headache
- Tired/Fatigued
- Loss of Appetite
- Shivering, shaking, and chills
- Aching muscles and joints or other body aches
- Intermittent sweats or excessive sweating
- Rapid heart rate and/or palpitations
- Skin flushing or hot skin

I confirm that I have read the guidance provided on social-distancing and the guidelines on maintaining high levels of cleanliness – regular hand-washing, catching coughs/sneezes in tissues and throwing them away.
