SUPPLEMENTARY INFORMATION FORM

This form should be completed by parents who express a wish for a Church of England education for their child

Christ Church Academy exists to serve the community in which it exists. As a Church of England middle school each member of the Academy community is valued, respected and treated equally regardless of gender, race, belief and ability. Christ Church Academy actively promotes the value of each person made in the image of God, constantly reinforcing the Academy's Christian values of faith, friendship, compassion, trust and thankfulness.

We hope that all parents/carers will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Christian to apply for, and be admitted to, a place at the school in accordance with the admission arrangements.
